Dear Alumni Member:

I welcome you to the Saint Louis University Nursing Alumni Association International (SLUNAAI). As I venture into a challenging yet fulfilling tenure as the Founding President of SLUNAAI, I do so with immense confidence and pride. I know in my heart that I have the most valuable asset any alumni association can boast of, and that is my colleagues - my fellow nurses, my fellow Louisians.

With a gold mine of collective talents and unwavering professionalism, we have elevated Saint Louis University School of Nursing (SLUSON) to unbeknownst prestige. Gratitude and pride overflow from each of us as we draw inspiration from this very school that has been instrumental in both our professional and personal growths.

We are a dynamic group of professional nurses so let us not rest on our laurels. Let us continue to surge forth in pursuit of making SLUSON proud of all its alumni, wherever they are in the world. It is a truly promising horizon that can only mean unprecedented success for our association's goals and objectives.

Whatever driving passion that each one of us holds, it is not presumptuous to say that SLUNAAI is headed for greater and better things. Let us be an inspiration to one another and share our time and talent to serve our colleagues, our alma mater, and our country.

Thank you for taking the opportunity to be a part of SLUNAAI. Please feel free to reach out to me directly if you have any questions. I would love to hear directly from alumni members like you.

Respectfully yours,
